

## Cheerleading Coaching Pathway

### Coaching pathway

There are five levels within the Cheerleading Gymnastics (WAG) Coaching Pathway. The pathway caters for all level of coach - a Beginner Coach assisting in the gym through to a high performance coach preparing athletes for elite international competitions such as World Championships.

### What will I learn?

At Beginner level, coaches learn fundamental Gymnastics knowledge which is applicable to all Gymsports. At all other levels coaches build upon their knowledge within the area of the Pathway they have specialised in including pom, jazz, tumbling, stunt, tossing and pyramid skills.
